

# School Council For South Pointe School

MINUTES – Wednesday, November 22, 2017

7:00PM in the Learning Commons

---

Call to order: 7:52pm – motion accepted by Kathryn – All in favor

1. Update on school fees. Fee process for 2018/2019 school year will begin in February 2018.
  - Feedback required on current school fees. Currently noon supervision is provided by EA's. No volunteer supervisors - approximately \$80
  - Field Trip fees. Includes activity portion, admission and bussing – approximately \$60

With grade 7 beginning next year – additional fees are possible as the grade 7's will have course options

- What's too much?
- What are we willing to pay as a school community?
- Do field trips need to be looked at in a different way?
- What types of field trips would we like to see?

When considering, be mindful of ramifications as per the amount of the total bill and how it will impact families.
