

Shark Bites

Weekly Update

Every Day, Every Student, A Success.

Hello SouthPointe families,

I hope that everyone had an opportunity to enjoy the long weekend.

Junior High elective registration will be open starting on Monday after school. Parents will receive a SchoolMessenger email that explains the process for how to register your child for electives for the 2023-24 school year. Administration will be going to classes on Monday to explain which elective choices students will be able to choose from. A reminder to parents that we will only run elective choices that have the highest demand from students. Please do not hesitate to contact the school if you have any questions.

A big thank you to all the grade 6 families that were able to join us for our information night. Our next School Council and Fundraising Association meeting is Wednesday, April 19 at 5:00 pm in the large flex space. All parents are welcome to attend.

Carol Brown
Principal

Junior High Elective Selection ends
- April 27 Hot Lunch - Grades 4 - 6 & Tues/Thurs Kindergarten
- April 28 Hot Lunch - Junior High
Hat Day
Yearbook Ordering Deadline

April 30

Parent/Guardian Information Verification Form Deadline

Lost and Found

The school has accumulated a large amount of clothing, water bottles, masks and other items in our lost and found. We would appreciate it if you and/or your child would have a look through the items to claim anything that belongs to them.

Get ready for Kindergarten!

Do you have a child registered in kindergarten next year? If so, make sure to attend SouthPointe School's upcoming Kindergarten Information Night on May 30 at 6:00 pm. You'll get to:

- tour the school;
- meet the teachers;
- gain insight on play-based learning; and
- see what a typical day looks like.

Kindergarten Information Night 2023:

Date: May 30, 2023

Time: 6:00 pm

Location: SouthPointe School

To make the transition to school as smooth as possible, Elk Island Public Schools has put together a toolkit for families. The kit includes information about registration, important dates, programming options, what to expect, eligibility, finding your designated school, transportation and more. Find it at: [Welcome to EIPS Kindergarten](#).

Additional information about SouthPointe School's kindergarten program is available on the school [website](#).

Math Homework Support for Parents and Caregivers

Looking to support your child in their math learning? The [Community Adult Learning and Literacy Society](#) (CALLS) is here to help! A CALLS instructor can walk you through kindergarten to Grade 6 math homework online so that you can feel confident in fostering your child's math skills. Support sessions take place virtually every Wednesday from 7:30 p.m. to 8:30 p.m. Simply call or text 780-667-8441 for a Zoom meeting link.

Math at Home - Parent's Corner

Why is numeracy so important? ([NewLearnAlberta](#)) "Every day we are presented with quantitative or spatial information that we need to interpret and use to make sense of our world. We rely on our numeracy skills to compare costs, get to a destination, judge distances, fit objects into a limited space, interpret a chart or adapt a recipe. In school, numeracy, along with literacy, enables students to make meaning

of the things they are learning in subjects like math, language arts, science and social studies.”

Caregiver Series: April Sessions

Alberta Health Services offers free online programming for parents and caregivers of children and youth. Sessions are offered through Zoom. Upcoming topics include understanding anxiety, substance use, and building executive functioning skills. In these Lunch & Learn webinars, the discussion on executive functioning skills involves ways to support the development of your child’s working memory, inhibition, and mental flexibility. The webinars on anxiety will explore how anxiety can lead to negative thoughts and thinking traps that can hold us back and how to move toward more realistic thinking. The anxiety webinars will also discuss how avoidance of stressors can increase our stress response over time and how we can manage stressful situations in steps using effective coping skills. The list of [April 2023 sessions](#) is now available.

Complete your Parent/Guardian Information Verification Form

Elk Island Public Schools (EIPS) is currently reviewing and updating all parent and guardian contact information within the Division’s student information system. This one-time, full-scale review is to ensure the Division has complete and accurate data on file as Alberta Education moves to a new way of capturing information in the provincial database.

As part of the data review, EIPS requires all families to carefully review the parent and guardian information on file for each student in your family—even if you’ve recently completed a Student Correction and Verification Form. Families can quickly and easily indicate no updates are needed, if that’s the case, or provide updated contact information as

Ordering for 2022-23 Yearbook is Onen

Where to order: Visit ybpay.ca

Yearbook code: 14214923

Price: \$20 each.

Deadline: April 28, 2023

Scooter/Bike Reminders

As the snow melts and the days get warmer, it is wonderful to see more students riding bikes, scooters and skateboards to school. These are great ways to get around and keep fit!

Storage: Scooters are being left all around the school grounds. Please remind your child to store/lock up their scooters at the scooter racks.

Helmets: We want all our students to arrive at school safely! Unfortunately, we have seen some students riding bikes without helmets. Helmets are required by law so please ensure your child wears one when they ride to school.

Literacy and Numeracy Info Sessions

Elk Island Public School’s literacy and numeracy consultants are hosting an info night for our Fort Saskatchewan families on Tuesday, April 18 at Fort Elementary from 5:30 until 8:15.

The elementary session will start at 6:00 and the secondary session will start at 7:15. A light dinner – salad and sandwiches – will be provided, as well as childcare. Families that would like to attend are asked to RSVP by April 14.

[More Information](#)

Jump Rope for Heart

Thank you so much to everyone that participated in Jump Rope for Heart in March of 2023. As a school we raised \$2,490.00 for this fundraiser. Way to go, Sharks!

Fundraising Association Update

Bottle Drive on April 22, 2023

We are still looking for Volunteers to help with the bottle drive next week so that we will reach our goal of raising money to replace the outdated Chromebooks.

We are currently needing volunteers to hand out flyers on Thursday, April 20 and/or Friday, April 21. We are also looking for drivers with trucks to go around on Saturday, April 22 to do bottle pick up for us.

Without volunteers we won't be able to complete our fundraising efforts. Thank you all in advance!

April Hot Lunch

April hot lunch will be April 26, 27, and 28. The hot lunch will be from the Canadian Brewhouse. The deadline to order is **April 21** at 3:00 pm. Orders can be placed online through hotlunches.net. ***This site uses PayPal. You can link credit card or your bank card for payments or choose to pay as a guest only. **All unpaid orders will be cancelled.**

If your child is away on their hot lunch day, please phone the school before lunch to let them know what you would like done with it, e.g., parent pick up at front office or donate. If we are not notified, meals will be given to students without a lunch or shared with staff. Unfortunately, we have no fridge space to store these meals.

Chromebook Replacement Funds

Chromebook Replacement Funds: The FASS is fundraising to help in the cost of replacing 150 outdated Chromebooks in our school. This is a \$30,000 fundraising event!! Over the past year the FASS has held a number of fundraisers to aid in this endeavor. Bottles drives, Stawnichy's, Purdy's, plants, and dance sales have all contributed to this need for our students and our school. Thank you to all for the amazing aid in these fundraisers. We are almost there!

To continue the finish line for the Chromebooks, there will be a bottle drive on **April 22nd**. If families could please start saving bottles for us. Any little bit helps!

❖ Ongoing Fundraisers

COBS (Fort Saskatchewan location only):

- Just mention Southpointe School when you are making a purchase.
- Cobs gives back 5% of what we spend! Last year \$350.00 was given back to the school from this fundraiser!

FLIPGIVE

- For online shopping! (Old Navy, Indigo, Canadian Tire, Walmart, Home Depot, Starbucks and more!)
- Just download the app, use the code K2TQ9X and start shopping!

Division News

EIPS Summer School: Register now

Registration for EIPS Summer School is open now. Organized through Next Step, the Summer School program offers more than 25 senior high courses that allow students to earn credits, upgrade marks, lighten workloads or finish pre-requisite courses.

Courses include:

Open to EIPS students entering grades 10 to 12 next fall, and students in their Grade 12 year.

- English Language Arts 20-1, 20-2, 30-1 and 30-2
- Social Studies 20-1, 20-2, 30-1 and 30-2
- Mathematics 10-3, 10C, 20-1, 20-2, 30-1 and 30-2
- Science 10 and 30
- Biology 20 and 30
- Chemistry 20 and 30
- Physics 20 and 30
- Physical Education 10
- Personal Fitness 10, 20 and 30
- Career and Life Management (CALM 20)
- Foundations in Industry Workplace Safety
- Work Experience and RAP

For summer 2023, all Summer School courses are in-person. Classes take place at schools in Sherwood Park.

EIPS Annual Education Results Report

Every year, Elk Island Public Schools (EIPS) publishes an Annual Education Results Report, which outlines the Division's Four-Year Education Plan, opportunities for growth and how it's supporting students to achieve the best possible outcomes. Read through this year's [EIPS Annual Education Results Report 2021-22](#) and discover how EIPS fosters learning environments for all students to learn, grow and thrive—and why it matters.

April Spotlight: Student Growth and Success

- [Early Learning](#): Ensuring early learners reach developmental milestones
- [Culture of Literacy](#): Dive deep into the data and learn how students are developing strong literacy skills
- [Math Matters](#): Enhancing reasoning, understanding and achievement through numeracy-rich classrooms
- [Boosting Educational Outcomes](#): Discover how EIPS supports the growth and achievement of students who self-identified First Nations, Metis and Inuit
- [Beyond high school](#): Supports and strategies that are creating real-life career pathways for learners

[EIPS Three-Year Capital Plan: 2024-27](#)

Download the SchoolMessenger App

Southpointe School and the Division use the SchoolMessenger platform to communicate with families—through both phone and email. Be sure to add communications@eips.ca and general.sps@eips.ca to your safe sender list to avoid having important messages funneled into your junk mail folder.

The easiest way to stay connected is to download the SchoolMessenger app. Get the latest updates from both the Division and your child's school direct to your mobile device and enable push notifications to never miss a message. Families can also check back on past messages—for up to 30 days—directly in the app rather than searching to find an old message buried in their inbox. Download the SchoolMessenger app from the [App Store](#) or [Google Play](#) today.

Community Resources

Jumpstart Play to Lead – Unleashing women's power through sport

The Jumpstart **Play to Lead** program has opened its application process which closes on April 21. Use this link for more information or to apply <https://jumpstart.canadiantire.ca/pages/play-to-lead>.

Play to Lead focuses on enabling high-school aged female participants to become leaders in sport and through sport, by offering them an opportunity to:

1. Improve their leadership skills through interactive and experiential programming
2. Develop a deeper sense of belonging and confidence as young women in the sport community, by building relationships with likeminded peers, staff and mentors
3. Grow their network by providing access to female role models, mentors, and opportunities for growth beyond sport

WHO IS ELIGIBLE TO APPLY?

Athletes:

1. Young women, enrolled in grade 9 & 10 for the 2023/24 school year
2. Committed to participate in the full duration of the program (Fall 2023 – Spring 2024)

If you have any questions, feel free to reach out to playtolead@cantire.com
