REMINDER: 2022-23 School Fees

School fees for the 2022-23 school year are posted on the [PowerSchool Parent Portal](#). All fees are due within 30 days of being posted. Throughout the year, fees are often added to cover the costs for various activities, such as field trips, extracurricular activities, and late, damaged or lost textbooks.

To access your fee information, simply log in to the PowerSchool Parent Portal and go to “Student Fees.” There you can view fees and pay them online using a credit card. Make sure to monitor your child’s account on an ongoing basis.

For more information about school fees, waivers and payment deadlines, visit eips.ca/schools/fees. And, if you have questions, think there is an error or need help creating a PowerSchool Parent Portal account, contact your child’s school directly before the summer break.

NOTE: Pursuant to [Board Policy 23: School Fees](#) and [Administrative Procedure 505: School and Administrative Fees](#), EIPS will forward any unpaid 2022-23 fee amounts to a collection agency. To prevent this from happening, remember to pay your fees before Aug. 31, 2023.

Student Transportation: 2023-24 Registration

Planning to use Student Transportation in the 2023-24 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the returning student or new student registration processes are now registered. Those families have also received tentative route schedules and invoices—fees are due June 30, 2023.

For those students who didn’t indicate needing transportation services during the registration process and want to now register, simply fill out this [registration form](#).

For more information about EIPS Student Transportation, visit www.eips.ca/transportation.

NOTE: Families can pay fees online using the [PowerSchool Parent Portal](#). To pay in-person, visit the [EIPS Student Transportation building](#) during its office hours—Monday to Friday, 7 a.m. to 5 p.m. on school days and 8 a.m. to 4 p.m. on non-school days.

Little Elk Island Adventure: Registration

Elk Island Public Schools is once again planning to run the Little Elk Island Adventure, a fun and informative program for first-time school bus riders.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim: To help introduce families to busing so they feel comfortable and at ease before even starting school. Through a series of activities, riders learn about school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned by venturing out on a short ride.

The Little Elk Island Adventure is for first-time school bus riders entering the 2023-24 school year. The tentative session dates and times are as follows:

Pre-Kindergarten Programming at EIPS

Is there a preschooler in your life experiencing developmental delays or challenges with speech-language or motor-skill development—big or small? If so, Elk Island Public School's Play And Learn at School (PALS) program could help.

Early learning lays the foundation for success in primary grades and beyond. As such, EIPS offers the pre-kindergarten PALS program in five of its elementary school locations—including Ecole Parc Elementaire in Fort Saskatchewan. In fact, EIPS is now accepting applications for free speech-language assessments for those interested in registering in the PALS program this fall. The assessment helps determine if PALS is appropriate for your child.

If you know a preschooler, born in 2019 or 2020, who could benefit from pre-kindergarten programming or want to book an assessment, fill out the [PALS Program Request Form](#) or call 780-417-8219. For more information, visit eips.ca.

Caregiver Series: May and June Sessions

Alberta Health Services offers free online programming for parents and caregivers of children and youth. Sessions are offered through Zoom. Upcoming topics include understanding autism, strategies for test anxiety and transitioning to teenage years. The list of [May and June 2023 sessions](#) is now available.

Parent's Corner

How can parents help their children prepare for tests?

“It is important that children feel relaxed and comfortable when they write any test, including provincial achievement tests (PATs). Children's feelings about a test are very much influenced by what adults close to them say about those tests. Parents can be of most help to their children by encouraging them to relax and do their best, just as they would when writing any test.”

Hot Lunch Reminder

Just a reminder to let the school know if your child is going to be away on their day of hot lunch. Let us know if we are to take it to the office to be picked up or donated to another student. Please remember we are volunteers who run the hot lunch and sometimes mistakes happen so please get your child to let their teacher know immediately if something isn't right so we can try our best to rectify the problem. The orders go in a week before hot lunch runs so unfortunately, we are not able to make any changes once the orders have been sent in.

Chromebook Replacement Funds

Thank you to all the volunteers who helped with the bottle drive last Saturday and all those who helped with handing out flyers. We were able to raise \$5,060.00 for the Chromebooks! Chromebook Replacement Funds: The FASS is fundraising to help in the cost of replacing 150 outdated Chromebooks in our school. This is a \$30,000 fundraising event!! Over the past year the FASS has held a number of fundraisers to aid in this endeavor. Bottle drives, Stawnichy's, Purdy's, plants, and dance sales have all contributed to this need for our students and our school. Thank you to all for the amazing aid in these fundraisers. We are almost there!
