Principal's Message

Thank you to all our grade 6 families for joining us for our Junior High Open House. It wonderful to see everyone come out and participate in our scavenger hunt and get answers to their questions.

Class pictures were completed on Wednesday and Thursday this week. On Thursday all the EIPS Trustees and members of our Central Office Executive team joined us for a school visit. This visit gave us a great opportunity to share what makes SouthPointe a special place to be.

Our next school council meeting will be on April 17 at 5:00pm in the large flex space. All parents are welcome to join us.

Carol Brown
Principal

**** JUNIOR HIGH ELECTIVE REGISTRATION ****

Administration has met with all current grade 6, 7 and 8 students about Junior High elective registration. Paper packages were shared with all students that explained the elective choices for next year and the cost of each elective. Elective registration needs to be completed online through the Parent Portal on PowerSchool. Information is located on the SouthPointe School website under the “Programs” tab. Elective registration will be open to end of the day Monday, April 15. Administration will follow up on Tuesday with any students that have not registered. Please contact the school office if you need any help signing into your Parent Portal.

Junior High Information Nights: Running April and May

Junior high schools across EIPS are hosting information nights for all Grade 6 students and their families—taking place in April and May. Make sure to attend to learn everything you need to know about the junior high programs at your child’s school. Those who attend will also have a chance to:

- meet the teachers;
- tour the school and classrooms;
- learn about the upcoming curriculum; and
- ask questions.

For specific dates and times, see: [EIPS Junior High Information Sessions 2024](#)

Pre-kindergarten Programming at EIPS

Is there a preschooler in your life experiencing developmental delays or challenges with speech-language or motor-skill development—big or small? If so, Elk Island Public School's Play And Learn at School (PALS) program could help.

Early learning lays the foundation for success in primary grades and beyond. As such, EIPS offers the pre-kindergarten PALS program in five of its elementary school locations.

Applications are now open for free speech-language assessments for those interested in registering in the PALS program this fall. The assessment helps determine if PALS is appropriate for your child.

If you know a preschooler, born in 2020 or 2021, who could benefit from pre-kindergarten programming or want to book an assessment, fill out the [PALS Program Request Form](#) or call 780-417-8219. For more information, visit eips.ca.

Get ready for Kindergarten!

Do you have a child registered in kindergarten next year? If so, make sure to attend SouthPointe School's upcoming Kindergarten Information Night on Wednesday April 24 from 5:30-6:30 pm.

- Short presentation on what to expect for Kindergarten
- meet the teachers
- see the classroom
- gain insight on play-based learning
- see what a typical day looks like

Kindergarten Information Night 2024:

Date: April 24, 2024

Time: 5:30 pm

Location: SouthPointe School

To make the transition to school as smooth as possible, Elk Island Public Schools has put together an online toolkit for families. This includes information about registration, important dates, programming options, what to expect, eligibility, finding your designated school, transportation and more. Watch for Thin Ice

Remember, be aware of thin ice this time of year. Depending on changing temperatures, ice can form and melt to varying degrees on outdoor bodies of water. Try to remind your child about the dangers of thin ice, obey all posted signs, take proper care and remain a safe distance from the ice.

For more information about ice safety, visit the [Canadian Red Cross](#).

Did you know?

The colour of ice may be an indication of its strength. Clear blue ice is the strongest. White opaque is half as strong as blue ice. And, grey ice is unsafe—greyness indicates the presence of water.

PARENT CORNER

Executive function and self-regulation are the skills that children need to learn in order to be successful in many areas. Imagine your brain is like a busy airport and executive function is the air traffic control tower that helps planes take off and land safely. Without executive function, students may struggle with things like decoding words or organizing their ideas when writing. While we're not born with executive function skills, our brains are ready to learn these skills. Some are modeled to us and we pick them up. Others need more explicit instruction and practice. [Check out this article](#) for some great activities that help children from infancy to adolescence develop their executive function skills.

Did you know?

Alberta Reserves are accumulated surplus funds that may be designated to a school, department or priority. The Board of Trustees approves the transfer of funds to and from reserves and has a yearly plan on how those reserves are used—to the benefit of students. EIPS identifies high-demand areas and uses its operating reserves for initiatives like student learning, new curriculum work, consultant support, mental health initiatives, technology upgrades, public-health best practices and other one-time projects. Operating reserves are also used to furnish and equip new schools and classrooms. With its capital reserves, EIPS replaces ageing equipment, purchases technology, modernizes and expands student learning spaces, and funds emergent capital needs.

A big *THANK YOU* to EIPS Volunteers

National Volunteer Week takes place April 14-20. On behalf of the Board of Trustees at Elk Island Public Schools (EIPS), I want to extend my most heartfelt thanks to all EIPS volunteers. Every time you've contributed, whether it was helping on a class field trip or planning a school event for families to enjoy, you were there at a moment when we needed you. Students needed you, staff needed you, the community needed you—and you answered the call. These are moments that matter and are ones that make a difference in a student's experience at their school.

So, thank you again for being there. Without you, EIPS would not be what it is today, and schools wouldn't be able to do all the wonderful things they do. This National Volunteer Week, I encourage everyone to celebrate the hundreds of volunteers and thousands of hours put into supporting student growth and achievement at schools across the Division.
