Little Elk Island Adventure: Registration

Elk Island Public Schools is once again planning to run the Little Elk Island Adventure, a fun and informative program for first-time school bus riders.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim: To help introduce families to busing so they feel comfortable and at ease before even starting school. Through a series of activities, riders learn about school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned by venturing out on a short ride.

The Little Elk Island Adventure is for first-time school bus riders entering the 2024-25 school year. The tentative session dates and times are as follows:

REMINDER: 2023-24 school fees

School fees for the 2023-24 school year are posted on the [PowerSchool Parent Portal](#). All fees are due within 30 days of being posted. Throughout the year, fees are often added to cover the costs for various activities, such as field trips, extracurricular activities, and late, damaged or lost textbooks.

To access your fee information, simply log in to the PowerSchool Parent Portal and go to “Student Fees.” There you can view fees and pay them online using a Mastercard or Visa credit or debit card. Make sure to monitor your child’s account on an ongoing basis.

For more information about school fees, waivers and payment deadlines, visit eips.ca/schools/fees. And, if you have questions, think there is an error or need help creating a PowerSchool Parent Portal account, contact your child’s school directly before the summer break.

NOTE: Pursuant to [Board Policy 23: School Fees](#) and [Administrative Procedure 505: School and Administrative Fees](#), EIPS will forward any unpaid 2023-24 fee amounts to a collection agency. To prevent this from happening, remember to pay your fees before Aug. 31, 2024.

Updating Your Contact Information

Have you recently moved or has your contact information changed? Elk Island Public Schools (EIPS) encourages families to review their information the Division has on file to ensure it’s up to date. Using the *Student Information Update* available through the [PowerSchool Parent Portal](#), families can review their information on file for each student—including addresses, phone numbers, email addresses, parent and guardian information, emergency contacts, medical details and other related information—and submit any updates needed.

NOTE: Only submit updates for the changes that have already taken place. If you’re moving this summer, you’ll submit the necessary updates through the Student Information Update after you’ve moved at the start of next school year. The form is open—for current-year updates—until June 14 at noon. It will reopen for families at the start of next school year.

Pre-kindergarten Programming at EIPS

Is there a preschooler in your life experiencing developmental delays or challenges with speech-language or motor-skill development—big or small? If so, Elk Island Public School's Play And Learn at School (PALS) program could help.

Early learning lays the foundation for success in primary grades and beyond. As such, EIPS offers the pre-kindergarten PALS program in five of its elementary school locations. Applications are still open for free speech-language assessments for those interested in registering in the PALS program this fall. The assessment helps determine if PALS is appropriate for your child.

If you know a preschooler, born in 2020 or 2021, who could benefit from pre-kindergarten programming or want to book an assessment, fill out the [PALS Program Request Form](#) or call 780-417-8219. For more information, visit eips.ca.

Student Transportation: 2024-25 registration

Planning to use Student Transportation in the 2024-25 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the returning student or new student registration processes are now registered. Those families have also received tentative route schedules and invoices—fees are due June 30, 2024.

For those students who did not indicate needing transportation services during the registration process and want to now register, contact EIPS' Student Transportation office at 780-417-8151.

For more information about EIPS Student Transportation, visit www.eips.ca/transportation.

NOTE: Families can pay fees online using the [PowerSchool Parent Portal](#). To pay in-person, visit the [EIPS Student Transportation building](#) during its office hours—Monday to Friday, 7 a.m. to 5 p.m. on school days and 8 a.m. to 4 p.m. on non-school days.
